

Year 3 & 4 Jindabyne Sport and Recreation Centre Camp 2016

17 June 2016

Dear Parents/Carers

Thank you for choosing to have your child participate in the Jindabyne Camp (2-4 November). We feel confident in saying these three days will be an excellent opportunity for your child to further develop interpersonal skills and challenge themselves to become more self-reliant and confident in social and educational settings. Please note the following points.

- There will be 97 students attending with 4 staff members accompanying them.
- The final cost will be \$300 (less \$50 deposit already paid)

Payments

Further payments by instalments may be made at anytime prior to the camp or you may pay the remainder in one payment if you prefer (for direct deposit details see the reverse side of this sheet). Payments need to be completed by Tuesday 25 October 2016.

Medical and Consent Form

Please note that the consent and medication note for camp is now an online form which must be completed and submitted by parents at least 3 weeks before attending camp. Students without this form submitted will not be allowed to attend camp. The URL for completing this form is:

Online Information Needed

When completing the online medical/consent form you will need the following details:

Camp Booking Number 489822
Camp Date: 2 - 4 November 2016

Parent Information About Camp

Information about what to pack and bring can be found at the following URL:

<https://sportandrecreation.nsw.gov.au/facilities/schools/parent>

Medications for Camp

All medications will be collected on the first morning of camp before we leave school. There will be a reminder note regarding this prior to the excursion.

Souvenir Money

If your child is taking any souvenir money, please send it to school in a well sealed, labelled envelope in the week before camp. It will be stored safely and returned to your child on the last day of camp when the souvenirs are sold. The staff will accept no responsibility for money not handed in. Please note that there is nothing else to spend money on at camp, so students definitely do not need any cash with them.

Mobile Phone Policy

We understand that some students will want to have a phone with them on an extended excursion. Students may bring a phone but under the following conditions:

- It is to be used for private contact with their family and not social or shared use. This means that students will not use their phone in the presence of other students where the possibility of misadventure with the phone is likely.
- Phones will be kept in student rooms and not taken to any camp activities day or night.
- Students will not use their phone to contact other students on the excursion.
- The safety of the phone is the sole responsibility of your child.
